**Surveillance Specialties, Ltd. (SURV) acquires leading door hardware and locksmith firm - Advanced Lock Company**

Wilmington, MA - July 1, 2008 - Surveillance Specialties, Ltd. (SURV) is pleased to announce the acquisition of assets of Advanced Lock Company, LLC of Milford, NH.

Advanced Lock Company, LLC, a leading integrator of door locking hardware and services in Southern New Hampshire and Massachusetts, provides expertise in the following areas: building, fire and ADA code compliance, master keying, door re-keying, door hardware installation and service. Advanced Lock brings tremendous mechanical door expertise to complement SURV's electronic door expertise.

Effective immediately, Advanced Lock Company, a division of Surveillance Specialties, Ltd. (SURV) will continue to service all of New England in providing fully integrated door locking hardware and locksmith services.

"SURV is strategically investing, through external acquisitions as well as internal development, in our ability to broaden our service offerings and to be able to offer those services to an expanded geographic foot print" said Arthur Bourque, president of Surveillance Specialties, Ltd. "This acquisition makes a great deal of sense to us as Advanced Lock is a high-value service provider, employ's an extremely talented pool of employees and feels privileged to service its customer base. These are all traits that are core to SURV and the manner in which we do business."

"I am very thankful to all of my clients for their business over the years" said Jon Bossie, owner of Advanced Lock Company, LLC. "I am extremely energized about this opportunity and look forward to now being able to provide customers with a complete solution for their door hardware and access control needs."

A handwritten signature in black ink, appearing to read "Arthur Bourque". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

**About SURV**

SURV is a leading commercial-security systems integration firm that specializes in the design and implementation of access control, video, wireless communication, intercom, intrusion, fire / burglar alarms and perimeter detection technologies. SURV is privately-held with offices in Wilmington, MA, Amherst, MA and Portland, ME. SURV services all of New England and supports enterprise clients nationally through its founding membership in National Security Integrators (NSI).

SURV is accredited by Software House as having achieved Enterprise Level Partner status. SURV is also 1 of only 2 self-servicing dealers across the US for American Dynamics' Intellex DVR's.
